GRIFFITH HACK
PATENTS, TRADE MARKS, IP LAW

MEMBERS OF THE INSTITUTE OF PATENT & TRADE MARK ATTORNEYS OF AUSTRALIA

PRINCIPALS

Debbie Beadle	BSc (Chem) (Hons) Registered Patent and Trade Marks Attorney	Chemical and pharmaceutical patents; trade marks and designs
Russell Berry	BJuris, LLB Legal Practitioner	Intellectual property lawyer; litigation and dispute resolution; IP and IT; licensing & brand development; sports; entertainment & marketing; media and telecommunications; Trade Practices; e-commerce and privacy law
Janelle Borham	BSc. (Chem) (Hons) Registered Patent and Trade Marks Attorney	Chemical and pharmaceutical patents; including medicinal products; polymers; food and paper technology and minerals processing
Dr Stuart Boyer	BSc (Hons) Ph.D. Registered Patent and Trade Marks Attorney	Biochemical; biotechnological; molecular biology; immunological and pharmaceutical patents
Noel Brett	Dip.Elec.Eng. Registered Patent and Trade Marks Attorney Registered New Zealand Patent Attorney	Electrical; electronic; computer and software patents; trade marks and designs
Benny Browne	BComm LLB Legal Practitioner Registered Trade Marks Attorney	Intellectual property lawyer; Plant Breeders Rights; patent and trade mark litigation and advice; licensing and technology transfer; Trade Practice law (Consumer and Competition Law)
Wayne Condon	LLB, LLM Legal Practitioner	Intellectual property lawyer; patent litigation particularly focussed on pharmaceutical patents; active in pharmaceutical regulatory and licensing law
Andrew Goatcher	LLB (Hons), Grad Dip (IP Law) Legal Practitioner	Intellectual property lawyer; patent litigation and related disputes; confidential information, trade mark disputes; licensing, passing-off and Part V of the Trade Practices Act
Dr Andreas Hartmann	PhD (Physics) Registered Patent Attorney	Physical sciences; photonic and electronic devices; material sciences and general mechanics patents
Michelle Hedges	BSC (Hons I) Registered Patent Attorney	Mining and materials science, metallurgy and mineral processing
David Hughes	BE (Civil), GradDip (TechMgt) Registered Patent Attorney	Mechanical and general engineering patents; civil engineering design and construction; business systems and methods; mining and mineral hardware
John Lee	LLB, BSc Legal Practitioner	Intellectual property lawyer; patent and trade mark litigation, IT; commercialisation; licensing Agreements; trade mark enforcement; confidentiality and IP management strategies

John McCormack	BSc (Chem) (Hons) Dip. Ed. Registered Patent and Trade Marks Attorney Registered New Zealand Patent Attorney	Chemical and general engineering patents; trade marks and designs
Anne Makrigiorgos	BSc, LLM Legal Practitioner Registered Patent and Trade Marks Attorney	Intellectual property lawyer; immunological patents; trade mark; designs and copyright
Tony Mizzi	BE (Elec) Registered Patent and Trade Marks Attorney	Electronic, mechanical, electrical, mining and telecommunication patents, trade marks and designs
Dr Andrew Morton	BSc (Hons) PhD (Physics) Registered Patent and Trade Marks Attorney Registered New Zealand Patent Attorney	Physics; nuclear physics; optics; photonics; scientific instruments; electrical; electronic; computer and mechanical engineering patents; trade marks
Nick Mountford	BE (Elec) (Hons) BA Registered Patent and Trade Marks Attorney	Electrical; electronic; computing; telecommunications; biomedical and general engineering patents; trade marks
Greg Munt	BE Registered Patent and Trade Marks Attorney	Materials science and general engineering patents; trade marks and designs
Brendan Nugent	BSc(Chem) DipBiotech Registered Patent Attorney	Biotechnological; pharmaceutical and chemical patents; trade marks and designs
Nadia Odorico	BE (Mech) (Hons) Registered Patent and Trade Marks Attorney	Mechanical engineering; biomedical engineering and medical devices; building systems and apparatus
Nicola Scheepers	BCom, LLB Legal Practitioner Registered Trade Marks Attorney	Trade mark registration and prosecution; trade mark searching and opinions on registrability and infringement; trade mark oppositions; trade mark non-use proceedings; trade mark watching and surveillance; trade mark portfolio management
Chris Sgourakis	BSc, LLB, LLM Legal Practitioner Registered Trade Marks Attorney	Intellectual property lawyer; litigation, commercial; trade marks, designs and copyright
Stephen Sharp	BSc, LLB (Hons) Registered Patent and Trade Marks Attorney Legal Practitioner	Chemical and pharmaceutical patents; trade marks and designs
Gennaro Simonetta	BE (Mech) Registered Patent and Trade Marks Attorney	Mechanical; materials processing and general engineering patents; trade marks and designs
Tim Staley	BSc Chartered Patent Agent (UK) Registered Patent and Trade Marks Attorney	Electrical; electronic; computer; software; mechanical and materials science patents; trade marks and designs

Amanda Stark	BSc (Biochem)(Hons) Registered Patent and Trade Marks Attorney European Patent Attorney Chartered Patent Agent (UK)	Biochemistry; protein chemistry; molecular biology; genetics & genomics; immunology microbiology; cell biology; plant & agriBiotech
Steven Starkie	ME (Elec) (Hons), Cert IP Law Registered Patent and Trade Marks Attorney European Patent Attorney	Electrical; electronic; IT; general engineering; trade marks and designs
Rosie Stramandinoli	B.App.Sci. (Chem) Registered Patent and Trade Marks Attorney	Chemical and pharmaceutical patents; trade marks and designs
Albert Terry	BA, JD Legal Practitioner Registered Trade Marks Attorney	Trade mark law and practice
John Terry	B.Sc. (Physics) (Hons) LL.B. Registered Patent and Trade Marks Attorney Legal Practitioner Chartered Patent Agent (UK) European Patent Attorney	Physics, electrical and mechanical engineering patents; trade marks and designs
Tony Ward	BSc Eng (Mech) (Hons), LLB Registered Patent and Trade Marks Attorney Chartered Patent Agent (UK) European Patent Attorney	Mechanical and general engineering patents; trade marks and designs
Robert Wulff	BSc, BE (Chem) (Hons) Registered Patent and Trade Marks Attorney	Chemical; chemical engineering; materials science and general engineering patents; trade marks and designs

SPECIAL COUNSEL

Geraldine Farrell	BSc, LLB, LLM Legal Practitioner	Intellectual property, commercial and technology law; licensing; research and development and collaborative research agreements
Sally Nicolson	BA LLB Legal Practitioner Trade Marks Attorney	Intellectual property and trade practices litigation, trade marks, copyright, anti counterfeiting

SENIOR ASSOCIATES

Jurgen Bebber	1 st and 2 nd Legal State Exams (Germany) Registered Trade Marks Attorney Legal Practitioner	Domain names; business names; trade marks; and designs
---------------	--	--

Dr Peter Brown	BSc (Hons) PhD Registered Patent Attorney	Pathology; immunology; microbiology; molecular and cellular biology; biochemistry and pharmacology
Byron Bowman	BE (Chem) (Hons) LLB Registered Patent and Trade Marks Attorney	Process and manufacturing patents; trade marks and designs
Kate Hay	BA (Hons) LLB Legal Practitioner	Intellectual property and Trade Practices litigation; confidential information and contractual disputes; patents; trademarks; pharmaceuticals; copyright Law
Nick Hunter	BSc (Hons) (Mat Sci), LLB Registered Patent and Trade Marks Attorney	Materials; metallurgical and mechanical patents and designs
Dr Andrew Jones	BSc (Hons) PhD (Chem) MRACI CChem Registered Patent Attorney	Chemical and pharmaceutical patents; trade marks and designs
Justin Lambert	LLB(Hons)/BSc(Chem) Legal Practitioner	Intellectual property lawyer; specialises in pharmaceuticals, chemicals, and electronic devices; breach of confidence and copyright law
Jacky Mandelbaum	LLB (Hons), BSc Legal Practitioner	Intellectual property lawyer; litigation; patents; pharmaceuticals; licensing
Dr Jenny Park	BSc (Hons), PhD (Chem) MRACI CChem Registered Patent Attorney	Chemical and pharmaceutical patents; trade marks and designs
Lyn Stevens	BA Registered Trade Marks Attorney	Trade mark law and practice
Sally Shrimpton	BSc, LLB Special Counsel, Public Notary Registered Trade Marks Attorney	Intellectual property lawyer; information technology; litigation commercial; trade marks, designs and copyright
Mary Turonek	BSc (Hons), PhD, MRACI, FIPTA Registered Patent Attorney	Chemistry; mineral processing; extractive metallurgy; pharmaceuticals and cosmetics, waste management technologies; radiation chemistry; medical devices; wine; mechanical devices
Joe Seisdodos	BSc (Hons), MSc (Physics) Registered Patent Attorney	IT, electronics, software and business methods patents

ASSOCIATES

Hayden Barke	BE (Mech) (Hons) Registered Patent Attorney	Mechanical engineering; mining & mining hardware; mechanical devices; automotive engineering
--------------	--	--

Justin Blows	BSc(Hons I) PhD MIP Registered Patent Attorney	Optics and photonics including lasers; optical fibres & optical instruments; biophotonics; telecommunications; software & business method patents; mechanical inventions
Andrew Davey	BE (Chem) (Hons) Registered Patent Attorney	Chemical engineering; mechanical devices; polymer and organic chemistry; inorganic, physical and applied chemistry; environmental science; materials engineering; petrochemicals; environmental engineering; minerals processing; extractive metallurgy and materials processing
Robyn Heard	BE (Hons) Registered Patent Attorney	Control Systems; Software Engineering, Telecommunications and Data Communications
Georgina Higinbotham	BSc (Chem), LLB (Hons) Registered Patent Attorney	Inorganic, physical and applied chemistry, polymer chemistry; biomedical engineering and medical devices; pharmaceuticals; environmental chemistry; electrochemistry, food science
Dr John Landells	BSc (Hons) (Chem), LLB, PhD (Chem) Legal Practitioner Registered Patent Attorney	Pharmaceuticals; organic and inorganic chemistry; chemicals and materials engineering; mining and minerals processing; agrichemicals
Belinda Muir	LLB, BSc(Hons) Legal Practitioner	Intellectual Property litigation matters including copyright, trade marks and patents in the areas of chemistry, biochemistry and genetics
Devita Pathi	BSc (Juris Prudence), LLB (Hons) Legal Practitioner	Intellectual Property Lawyer; litigation; commercial
Ida Pereira	LLB (Hons) Legal Practitioner	Trade mark registration and prosecution; trade mark searching and opinions on registrability and infringement; trade mark oppositions; non-use and revocation actions; trade mark strategising and international trade mark protection
Daniel Rosenthal	BSc(Hons), M.Sc., Cert. IP Law Chartered Patent Agent (UK) Registered Patent and Trade Marks Attorney	Mechanical and physical-based patents; civil & structural engineering; physics; telecommunications & data communications; mining & mining hardware
Eliza Saunders	BSc, LLB, LLM (IP) Legal Practitioner Registered Patent and Trade Marks Attorney	Intellectual Property lawyer; trade marks, patents, copyright, designs, brand protection and intellectual property litigation
Simone Tyndall	BSc (Chem) (Hons) B.A. Registered Patent Attorney	Chemical and pharmaceutical patents; trademarks and designs

PROFESSIONALS

Dr Joanne Boag	BSc (Hons) PhD	Molecular biology; biochemistry; cell biology and Immunology
Ian Binet	BSc, BE, Grad Dip Ed	Physics; medical devices; general mechanical; photonics; control systems
Raffaele Calabrese	BE, ME	Telecommunications and data communications; software engineering; electrical machines and devices; Electronic circuits
Steven Fung	BE (Hons), LLB MCom, MIE Aust, GradDipLegPrac	Microprocessor and embedded system designs; database and data warehousing technologies; internet and telecommunications technologies; information technology solutions; business systems and methods
Samantha Keirs	BSc(Hons)(Nanotechnology) UNSW	Nanotechnology; metal matrix composites; materials processing; surface and interface chemistry
Ann Fen Lim	LLB, B.IT Registered Trade Mark Attorney Legal Practitioner	Trade mark registration and prosecution; searching and opinions on registrability and infringement oppositions; removals for non-use and revocation actions; licensing; transfers and assignments
Dr Malcolm Lyons	BSc (Hons), PhD	Specialises in biotechnology patent work including biochemistry, lipid chemistry, cell biology, animal models, genetics and biostatistics.
Amy Mann	LLB, BBMSc Legal Practitioner	Intellectual property litigation matters including biochemistry; molecular biology and biotechnology
Dr Belinda McKenzie	BAppSc (Hons1), PhD	Plant genetic engineering; chloroplast genetic engineering; biofuels; molecular biology
Mark O'Mally	BEng (Elect & Comms) Registered Patent Attorney	Patent searching; digital signal processing; RF circuit design; mechanical devices, mobile telecommunications, optical networks
Tara Parkes	LLB (Hons), DipLegPrac, PgDipComIP	Trade mark registration and prosecution; searching and opinions on registrability and infringement; oppositions; removals for non-use and revocation actions; licensing; transfers and assignments; domain name registration; domain name dispute resolution
Malcolm Peh	BE (Hons), PhD	Telecommunications, software systems, business methods, electronic machines and computer networks
Lakshmi Rajagopalan	LLB (Hons), BSc (Hons) Legal Practitioner	Patent litigation, licensing agreements, trade mark enforcement, confidentiality and copyright
Dr Jacqueline Satchell	BSc (Hons), PH.D.	Specialises in pharmaceuticals, organic chemistry, biochemistry and protein chemistry
Andrew Sykes	LLB (Hons), BA Legal Practitioner	Trade mark registration and prosecution; searching and opinions on registrability and infringement; oppositions; removals for non-use and revocation actions; licensing; transfers and assignments; domain name registration;

domain name dispute resolution

Paul Voutier BE, BA

Renewable energy; automated production systems; automotive design; product design for developing country contexts

Dr Lisa Winfield BSc, MSci, PhD

Organic chemistry; pharmaceuticals; targeted asymmetric synthesis

Charles Yip BE (Hons), B Comm, LLB (Hons)

Control systems, electronic instrumentation, mechanical devices, manufacturing, machinery and machine tools

CONSULTANTS

Dr Geoff Levy B. Pharmacy PhD, LLB
Legal Practitioner

Intellectual Property Lawyer; litigation, commercial; trade marks, designs and copyright

Mike Lloyd BE (Chem & Mat), DipBusAdmin, Lic Tech
Consultant

Management of intellectual property generation and innovation; management of intellectual property portfolios, systems and policies

Geoff Mansfield BEng LLB
Consultant
Registered Patent Attorney

Mechanical devices; automotive engineering; materials handling & packaging manufacturing; machinery and machine tools; mining and mining hardware; extractive metallurgy; biomedical engineering & medical devices; structural engineering; building systems and apparatus; civil engineering design and construction; minerals processing

Dr Vivien Santer BSc(Hons) PhD
Consultant
Registered Patent Attorney

Biochemical; biotechnological; immunological and pharmaceutical
